

Community Forum

Each year for the last two years the Lebanon City Schools has conducted community forums to collect information from various individuals throughout the district.

These forums and the contributions made from the many people who have participated have been an essential component to the district's efficient operations as we strive to maintain an excellent educational environment.

Once again, I will ask for volunteers, from which many people will be selected to participate. If you are willing to **COMMIT TO 4 EVENINGS** during this spring and summer, please call my assistant, Sandy Ervin at 932-5906 between the hours of 8 a.m. and 4 p.m. She will ask you some questions so that I can **DEVELOP A GROUP OF DIVERSE INDIVIDUALS** to provide input at these meetings.

The sessions are specifically designed to **ASSESS THE IMPLICATIONS** to the following statement:

"Identify the resources and funds necessary to provide thorough educational programs for our students."

I am looking for parents, grandparents, adults without children, and senior citizens without grandchildren. I am looking for parents with children in Lebanon City Schools, parochial schools, private schools and home schools, individuals with various work experiences and backgrounds. The bottom line is that I am not looking to preach to the choir. I need to utilize information that comes from a diverse group with many different perspectives.

I greatly appreciate the help of those of you who have participated in the past and encourage you as well as others to join us in improving our school environment.

With your assistance, we can continue to improve our school district.

Snow Day Make Up Dates

The school's adopted calendar of the 2008 -2009 school year identifies Calamity Make-Up Dates as June 5, 8, 9, 10 and 11. As of 2-4-09, the Lebanon City Schools must make up 2 days. If there are no additional calamity dates, June 5th and 8th will become the last days for students, and June 9th will be the Teacher Professional Day

Dr. Linker, Team Player!

We are pleased to have Timothy Linker M.D. serve as our team physician for Lebanon athletics.

Dr. Linker is board-certified in both Family Practice and Sports Medicine and is the owner of Healthlink Family Practice and Sports Medicine. He also serves as the Medical Director of Sports Medicine and Outpatient Cardiac Rehabilitation for Atrium Medical Center.

He has worked closely with Kathy Reed, certified athletic trainer, caring for our Lebanon athletes for the past six years and has authored multiple book chapters in medical textbooks. Dr. Linker currently serves as volunteer Clinical Faculty at the Wright State University School of Medicine.

Dr. Linker attends the Heritage Baptist Church where he teaches the college class and is active in the Lebanon community where he and his family reside. He frequently speaks to church and school groups and has offices in Mason and in the Countryside YMCA.
