

Mrs. Schmelick's Preschool Class Bowman Primary School 2023-2024

Welcome to Bowman Primary Preschool!

My name is Amber Schmelick (Mrs. Schmelick). Early Childhood Education, especially for those who are differently abled, is my passion! My undergrad is in Early Childhood Education (Pre-K to 3rd) with a Preschool Special Needs Endorsement and I have a Master's Degree as an Early Childhood Intervention Specialist from Wright State University. My 12 year old son, Joey, is on the Autism Spectrum and has also been diagnosed with Epilepsy. My son and husband, Steve and our two fur babies, Cody and Clarence are my world! We love to visit the mountains, go bowling, visit the zoo and explore all of the wonderful local parks!

You have received a letter from our school office with a parent/teacher conference time scheduled for mid-August. This allows us an opportunity to meet both you and your child in a quieter setting to get to know one another, as well as to complete necessary paperwork and explain our program.

Children develop so much during their preschool years. As you prepare for the school year, I ask that you take a moment to think of how you'd like your child to grow this year. Are you hoping that they will grow by fostering friendships? Learn independence? Be academically sound for the transition to kindergarten? Develop problem-solving skills? During our initial parent-teacher conference, I'll be asking you about how you envision preschool for your child so that we can determine what our goals are for your child this school year.

I look forward to seeing you soon!
