Hello, parents!

I am delighted to be your child's kindergarten teacher this year! This is my 8th year teaching in Lebanon and my 12th year teaching in my career! I love animals (especially my cats), music, french fries, and clothes! I can't wait to learn about your child's personality, interests, and strengths! My main goals for your child are for him/her to be successful in a safe and nurturing environment and to develop a love for learning and school. I greatly value your participation in your child's education! I believe that home-school communication is a vital key to your child's success in school. Please feel free to email me any time you have questions or concerns. I will do the same. I hope we can be partners in education this school year to work towards the success of your child!

In order to make your child's first day of school a smooth and easy day, please help by making sure his/her supplies are ready to use. **Take all of the supplies out of the packaging. Sharpen all your child's #2 pencils ahead of time. Place scissors, 1 dry erase marker, 1 box of crayons, 1 highlighter, 1 glue stick, and 3 pencils inside of the pencil box and write your child's name on the box. Then, put all of the extra supplies inside of a large Ziploc bag labeled with your child's name. Take headphones out of the packaging and place in a separate large ziploc bag with their first and last name clearly labeled on the front of the bag. Please bring ALL of the supplies to school with you on your scheduled conference day.** Also, you may want to stock up during back to school sales for extra items to replenish in January if needed. With your help, we can start learning and doing great things right away. We are going to have a wonderful year! See you soon!

Sincerely,  
Ms. Meghan Garuccio
