

Welcome Bowman Kindergarteners!

Dear Kindergartener,

Welcome to Kindergarten at Bowman Primary and classroom Z12! My name is Mrs. Kindell and I will be your teacher this year. I am so excited to meet you and I am looking forward to a great year full of learning, friendship, and fun! We will become “bucket fillers” this year and I can’t wait to tell you all about it. Our classroom is decorated in elephants, so look for them when you enter our classroom! In kindergarten we will be doing lots of activities with colors the first few weeks of school. We will also work together to create our class rules and learn about our new friends! I look forward to meeting both you and your parents. Make sure to greet me with a big smile when you see me, and I will do the same!

Here are some things that you can practice to help you to be ready for kindergarten:

- Pack and unpack a backpack independently

Hello, Parents!

I am delighted to be your child’s kindergarten teacher this year! I’m looking forward to learning about your child’s personality and strengths. This is my 19th year of teaching kindergarten in Lebanon. I have two daughters, a sixth grader at Berry Intermediate and a third grader at Donovan. My husband Brian, teaches PE at LJHS! I’m looking forward to getting to know your child and your family this year! My main goals for your child are for him/her to be successful in a safe and nurturing environment and to develop a love for learning and school. I greatly value your participation in your child’s education. I believe that home and school communication is a vital key to your child’s success in school. Please feel free to contact me any time you have questions or concerns. I will do the same. I hope we can be partners in education this school year to work towards the success of your child.

In order to make your child’s first day of school a smooth and easy day, please help by making sure his/her supplies are ready to use. **Take all of the supplies out of the packaging. Sharpen all your child’s #2 pencils ahead of time. Place scissors, 1 dry erase marker, 1 box of crayons, 1 highlighter, 1 glue stick, and 2 pencils inside of the pencil box and write your child’s name on the box. Then, put all of the extra supplies inside of a large Ziploc bag labeled with your child’s name. Take headphones out of the packaging and place in a separate large ziploc bag with their first and last name clearly labeled on the front of the bag. Please bring ALL of the supplies to school with you on your scheduled conference day.** Also, you may want to stock up during back to school sales for extra items to replenish in January if needed. With your help, we can start learning and doing great things right away. We are going to have a wonderful year. See you soon!

Sincerely,

Mrs. Caroline Kindell
