

Summer 2021

Welcome to 4th Grade! We're excited to begin the school year at Donovan. Below you will learn a little about your 4th grade teachers. The supplies you need for the first day of school are listed on the Donovan Elementary Website. Please also purchase **one plastic red folder, one plastic blue folder, one plastic green folder, and a plastic folder of your choice**. Having these supplies ready for the first day will help us begin a successful year of learning. We look forward to meeting you at our conference in August.
