

Welcome

Mrs. Chartrand and Mrs. Elliott's Team

August 2021

Dear Third Grade Students and Parents:

Welcome to third grade at Donovan Elementary School. It is a brand new year and third grade is going to be very exciting! You will learn a lot of new and interesting things, so dust off your thinking caps and come ready to begin our adventures.

Below are some helpful tips to help you get ready for the school year.

1. Please review addition and subtraction facts to 18. We will be moving pretty quickly into multiplication and division and it is important that these facts are mastered.
2. Practice telling time on an analog clock to the nearest 5 minutes.
3. Read books from the library. When you finish the book, let your parents ask you questions about it. Try finding your answer in the text.
3. Having supplies ready the first day will help us begin a successful year of learning. Please feel free to bring them the day of our conference. ****In addition to the third grade supply list your child will need a wide-ruled, 3 subject notebook, and a fun folder of your child's choice.** When buying devices for ears, earbuds are preferred. We do not have the space for large headphones. Also, you may omit the lined paper from the general list as we already have a stockpile unused from previous years.
4. There are apps that help kids practice mastering opening locks. It would be a great advantage to your child to practice how to open combination locks prior to the start of school.
5. This year students will receive an assignment notebook. The assignment book will be used daily. Parents please check and sign your child's assignment book each day. This book will let you know what the daily assignments and important information each day.

We look forward to a great year of working together!

Your partners in education,

Mrs. Elliott and Mrs. Chartrand
