

¡Bienvenidos!

August 2021

Dear Third Grade Students and Families:

Welcome to third grade at Donovan Elementary School. It is a brand new year, and third grade is going to be very exciting! You will learn a lot of new and interesting things, so dust off your thinking caps and come ready to begin our adventures.

Below are some helpful tips to help you get ready for the school year.

1. Make or buy flashcards to review addition and subtraction facts to 18, along with multiplication facts 0s, 2s, 5s, and 10s. There are also a lot of great Apps and websites to explore as well!
2. Read books from the library about topics you are interested in! When you finish the book, let your parents ask you questions about it. Try finding your answer in the text or talking about your thoughts about what you read.
3. Review all of your print letters, the capitals and the lowercase. (We will learn cursive this year!)
4. We will be doing many typing activities throughout the school year. You can start practicing now at www.typingclub.com.
5. Having supplies ready the first day will help us begin a successful year of learning. **Please feel free to bring them the day of your orientation.**

We look forward to a great year of working together! Listos para aprender!
