

School Closings, Delays and Early Releases

The decision to delay or close school in bad weather will never be a decision that will be the best situation for every household. We check with several sources, and three staff members travel the roads throughout the district before a decision is made. We need to make the decision for any closing or delays, no later than 5:30 a.m.

We understand the decision to delay or close school in bad weather has different effects on various families. If school is kept open or delayed, and you believe it is not safe for your child to travel, please keep your child at home. You may call the school to get an excused absence and your child will be able to make up missed assignments at full credit.

Lebanon City Schools communicates information about changes in schedule by utilizing local radio and television stations, the lebanonschools.org website, and automated phone messages. Please contact your building secretary if you would like to change the phone number on which you want to receive the school's message.
