LEBANON CITY SCHOOLS
Employee Network and Internet Acceptable Use and Safety Agreement

The primary purpose of the network is to provide resources to enhance and support educational instruction through the collaboration and exchange of information. Use of the Internet is a privilege not a right. The District's Internet connection is provided for educational purposes only. Unauthorized and inappropriate use may result in disciplinary action and/or termination. It is widely known that the internet has resources available that are inappropriate for a school setting. To ensure proper use of the district and/or voice-video-data network resources, the following rules and regulations apply to all staff members:

A. The use of the network is a privilege which may be revoked by the district at any time and for any reason. Appropriate reasons for revoking privileges include, but are not limited to, the altering of the system software, the placing of unauthorized information, accessing materials which are inappropriate for the school setting, computer viruses or harmful programs on or through the computer system in either public or private files or messages.

B. Any misuse of the account will result in suspension of the account privileges and/or other disciplinary action determined by the district. Misuses shall include, but not be limited to:

- (1) misrepresenting other users on the network;
- (2) disrupting the operation of the network through abuse of the hardware or software;
- (3) malicious use of the network through hate mail, harassment, profanity, vulgar statements, or discriminatory remarks;
- (4) interfering with others' use of the network;
- (5) illegal installation, copying, or use of licensed copyrighted software.

C. Employees will be liable to pay the cost or fee of any file, shareware, or software transferred, whether intentional or accidental, without written permission of the District Technology Director, Written request forms are available in the office.

D. Employees accessing the Internet through the school's computers assume personal responsibility and liability, both civil and criminal, for unauthorized or inappropriate use of the Internet.

The Board has the right to monitor, review, and inspect any directories, files, and/or messages residing on or sent using the school district's computers/networks. Messages relating to or in support of illegal activities will be reported to the appropriate authorities.

I have read, understand and agree to abide by the network resource rules and regulations. Should I commit any violation or in any way abuse or misuse my access privilege on the computer network, I understand and agree that my access privilege may be revoked and disciplinary action, up to and including termination of employment, may be taken against me.
