BE IN THE SPOTLIGHT

The Countryside Acting Troupe COUNTRYSIDE YMCA | LEBANON

Cooking, dance, music, pottery, crafts, and theatre – all of these arts experiences are available at the Y. We believe kids should have a safe place to explore their creativity and self-expression. When kids participate in the arts – especially theatre – they develop confidence, problem solving, perseverance, focus, nonverbal communication, and collaboration. And the teamwork involved in rehearsing and performing builds friendships, too.

Audition for the Countryside Acting Troupe 2021/2022 production of “Around the World in 8 Plays”, and travel around the world and explore forgotten myths and unusual legends.
