OUR MISSION: BUILDING COMMUNITY

Lebanon City School district commits itself to excellence and equity in education.

We build relationships among students, parents and caregivers, staff members, and community members around shared interests and goals.

We create communities in classrooms, within grade levels and school buildings, on athletic teams, and during co-curricular and extra-curricular activities.

We strengthen the Lebanon City and Warren County communities as we prepare graduates for careers and college. We partner with community leaders, non-profit organizations, business owners, and area colleges and universities.

OUR COMMUNITY

Rooted in one of the oldest cities in the state, our school district lies 30 miles north of Cincinnati and 30 miles south of Dayton in the heart of fast-growing Warren County.

The district is committed to embracing educational advancements that assure quality learning for all of our 5,500 students while maintaining a small-town feel and values-oriented atmosphere.

The result is a stimulating and supportive learning environment that consistently encourages creativity, communication, collaboration, and critical thinking among all of our students.

WE OFFER:

- Diverse academic programs to engage all students.
- Commitment to developing life-long learning skills.
- Innovative and quality-minded staff who reflect the values of our community.
- A focus on staff wellness.
- Safe, clean, and caring learning environments.
- Family involvement.
