- A. Please check the classroom environment that most fits your child's needs:
- My student does well in a classroom with frequent opportunities to work in groups and move about in a more open-ended instructional format.
 - My student does well in a more structured classroom with more teacher-directed instruction. My student needs clear expectations and predictable routines with an emphasis on task completion.
 - My student benefits from flexible and changing student grouping with a productive noise level. My student works best in a classroom where students are involved in the planning process and where activities occur simultaneously.
 - My student will do well in any of these environments.

B. List the three characteristics you value most in your student's teacher or classroom environment:
