

## Mrs. Hart's Preschool Class Bowman Primary School 2025-2026

Dear Preschool Families,

Welcome to a brand-new school year at Bowman Primary—I'm so glad you're here! My name is Mrs. Melissa Hart, and I am absolutely delighted to be your child's preschool teacher this year. I can't wait to begin this exciting journey of learning, growth, and fun with your child and to partner with you throughout the year.

Preschool is such a special time, and I'm honored to be a part of it. My goal is to create a warm, engaging environment where your child feels safe, valued, and eager to learn. Together, we'll build a strong foundation for a lifelong love of learning through play, exploration, and meaningful connections.

This is my fifth year teaching in Lebanon City Schools and my twelfth year in the classroom. Over the years, I've had the joy of teaching a variety of age groups in two different states as we moved with my husband's previous military career. I earned my degree in Early Childhood Education and Early Childhood Intervention from Ashland University in 2008, along with a Reading Endorsement, also from Ashland.

A little about me: I live right here in Lebanon with my husband, Ryan, and our two wonderful kids—our son is in sixth grade, and our daughter is in fourth. Outside the classroom, I love cheering my kids on at their sporting events, enjoying the outdoors, traveling, reading a good book, and spending time with family and friends.

You should have received a letter from the school office with your scheduled Parent/Teacher Conference time in mid-August. This special one-on-one time gives us a chance to meet in a quiet setting so your child can get comfortable, we can complete some important paperwork, and I can share a little more about our preschool program.

Thank you for trusting me with your child during this important year. I look forward to getting to know your family and seeing all the wonderful things your child will accomplish this year!

Warmly,  
Mrs. Melissa Hart
