

Welcome to Donovan 4th Grade!

Dear Students and Parents,

Welcome to Donovan Elementary School! This school year, students will be involved in many interesting and exciting activities. So dust off your thinking caps and come to school ready to begin our new adventures in learning. Our team is integrating Spanish Immersion with general education classes this year. Students in the Spanish Immersion program will have math and science with Sra. Joseph, while general education students will have math and science with Mrs. Hawley. Both Spanish Immersion and general education students will be integrated for ELA and social studies with either Ms. Mcvey or Ms. Murphy. Our goal for integrating these students is to foster community, promote inclusion, and provide ample support for all students.

Below are some helpful tips to prepare you for the upcoming school year.

- Have your addition, subtraction, and multiplication facts mastered
- Read a book!
- Write some stories/letters this summer
- Practice your typing skills. The typing club is great and FREE!
- Be prepared for class. Have supplies ready for the first day!
- School fees can be paid in the Donovan office or on our district website <https://payschoolscentral.com>
- Don't forget your water bottle!!!

You should have received a 4th grade supply list. Your child will also need the following additional items:

- Blue folder
- Yellow folder
- Take home folder (your choice of color/design)
- Boys: 1 box of gallon sized baggies
- Girls: 1 box of quart sized baggies

Spanish Immersion students **ONLY**:

- **Blue** spiral notebook-70 sheets
- **Green** spiral notebook- 70 sheets
- Composition notebook

More information about our team and what we will be achieving this year will be given during orientation. We are excited to meet each one of you and look forward to a great year of working together!

Sincerely,

Ms. Mcvey -Language Arts and Social Studies
