August 2026

Dear Third Grade Students and Parents:

Welcome to third grade at Donovan Elementary School. It is a brand new year and third grade is going to be very exciting! You will learn a lot of new and interesting things, so dust off your thinking caps and come ready to begin our adventures.

Below are some helpful tips to help you get ready for the school year.

1. Please review addition and subtraction facts to 20. We will be moving pretty quickly into multiplication and division and it is important that these facts are mastered.

2. Read!! Read books from the library. When you finish the book, let your parents ask you questions about it. Try finding your answer in the text.

3. We will be doing many typing activities throughout the school year. You can start practicing now at www.typingclub.com.

4. Having supplies ready the first day will help us begin a successful year of learning. When buying devices for ears, earbuds are preferred rather than headphones as they are easier to store. Please feel free to bring your supplies to school the day of your orientation and **please add a 1 & 1/2 inch 3 ring binder.**

5. School fees can be paid utilizing the EZ Pay linked on the Lebanon schools website.

We look forward to meeting you and a great year of working together!

Your partners in education,

Mrs. Yarbrough, Mrs. Reuber & Ms Baum
